# HIGHLIGHTS FOR 2019

## For employer groups with 2-50 employees

### Kentucky

#### **Anthem Balanced Funding**

This is a great plan option that can save employers money by minimizing the impact of Affordable Care Act (ACA) fees and taxes with the possibility of an end-of-year credit. Employers have a fixed monthly payment. If they have a healthier than expected year, they're rewarded with a premium credit. If they have higher than expected claims in a year, the built-in stop loss coverage protects from additional costs. Plus, with our Anthem Balanced Funding Transition credit, we'll help offset the first year's costs by giving them money back.

#### **LiveHealth Online**

Through LiveHealth Online, members can have video visits 24/7 with board-certified doctors using a mobile device or computer with a webcam. Doctors can assess common health issues like flu or allergies. They provide a treatment plan and send prescriptions to a pharmacy, if needed.<sup>1</sup> Members can also talk with licensed therapists and psychiatrists. Therapists are usually available in four days or less.<sup>2</sup> And, Spanish-speaking doctors take appointments 7 a.m. to 11 p.m., seven days a week using Cuidado Médico.

*1 Prescription availability is defined by physician judgment.*

*2 Appointments subject to availability of a therapist.*

#### **Cost and care finder online tool**

Members can use this quick and easy tool to make smart health care choices. Once they register at anthem.com provider costs and look up quality ratings — all in one place. # ANTHEM BALANCED FUNDING

## A great option that could save your clients money

Anthem Balanced Funding offers potential savings if your clients' claims aren't too high. And, it can minimize the impact of ACA mandates and state premium taxes on their cost of coverage. Plus, with our Anthem Balanced Funding Transition credit, we'll help offset their first year's costs by giving them money back.

Here's how it works:

1. Your clients make a fixed monthly payment that covers all of their health care costs.

2. Unlike fully insured plans, if they have a healthier than expected year, they're rewarded with a premium credit.

3. If they have higher than expected claims in a year, the built-in stop loss coverage will protect them from additional costs.

4. They'll get monthly reports for understanding benefits, costs and how to save money through smarter health care decisions.

For groups with a minimum of 10 enrolled subscribers this could be a great option.

**Groups also have the option to buy fully insured dental, vision, life and disability plans.**
