

WHAT'S NEW FOR 2019?

A SIMPLIFIED PLAN PORTFOLIO DELIVERING GREATER NETWORK SAVINGS.

As a small business owner, your time matters. So, we have spent time listening to you and developing enhancements to our plan portfolio with a greater focus on simplicity of choice and cost savings. It's all part of our drive to help you get more done in less time while delivering a health care plan solution that keeps your employees satisfied.

WHAT'S NEW FOR 2019? TAKE A LOOK AND REST EASY:

Simplicity and transparency what you'll get in 2019. Anthem has streamlined our plan portfolio to 14 plan designs providing meaningful choice with a focus on network savings:

- **14 plan designs on three networks:** Anthem's PPO, Pathway HMO, Mountain Enhanced HMO
 - **Anthem PPO** — Our nationwide network offers the greatest flexibility, plus BlueCard makes getting care easy almost anywhere.
 - **Pathway HMO** — Statewide network including more than 70% of providers in the PPO network — and significant cost savings.
 - **Mountain Enhanced HMO** — An affordable, community-based network focused on local hospitals and doctors to help keep costs low. This network has expanded to Rio Blanco and Moffat counties in 2019.*
- **All actively marketed plans include the select formulary** based on Colorado's ACA benchmark formulary — bringing access to the medications employees need.
- **Our new Act Wise solution** offers a convenient, integrated arrangement for managing your medical benefits and HSA spending accounts.
- **LiveHealth Online visits now available** for a \$10 copay on all new non-HSA plans.

AND REMEMBER, EVERYTHING YOU'VE COME TO EXPECT FROM ANTHEM REMAINS:

- Many of our plans include a **\$0 Rx copay** for the lowest-tiered, generic prescriptions.
- We offer a fully embedded **adult vision benefit** including an eye exam and hardware.
- **Gym membership reimbursement** up to \$400 a year.
- **Anthem Health Rewards** available through a new partner rewarding healthy actions through our online incentives program.
- **Extra benefits** for acupuncturist, chiropractic and massage therapy, plus nutritional counseling.
- **EmployeeElect** offers the flexibility of up to **five plan** options for groups with **four or more** enrolling employees.
