

Get SMART, a great health coverage plan for small businesses

As today's small businesses are searching for cost-saving health coverage options. The Georgia Chamber of Commerce is addressing this need by offering a new solution that can lead to more rate stability and offers potential savings for groups with two to 50 eligible employees.

The Georgia Chamber has teamed up with Anthem Blue Cross and Blue Shield (Anthem) to administer the Georgia Chamber SMART Plan (SMART). This plan allows smaller employers to join together to share in the overall claims risk. By being part of a larger, self-funded pool, employers have financial protection backed by Anthem.

In addition to financial protection, this innovative alternative offers:

- competitive rates
- predictable, fixed monthly payments
- flexibility in choice of benefit plans
- Anthem's broad Open Access POS network and Essential Rx Formulary

To top it off, we also offer specialty products, including dental, vision, life and disability plans, that are offered at discounted rates to employers participating in the Georgia Chamber SMART Plan.

Who is eligible for the Georgia Chamber SMART Plan?

The Georgia Chamber SMART Plan is available to small business employers with two to 50 eligible employees, domiciled in Georgia and a Chamber member in good standing with the Georgia Chamber of Commerce or your local participating chamber.
