Behavioral Health

Your clients want their employees to have the right plan for their needs, while balancing the cost. We get it. We created a wider range of plan options with everything your clients and their employees need to make smarter health care choices, save time and manage costs. And our plans work together – medical, pharmacy, dental, vision, life, disability and behavioral health. You and your clients should feel good with that choice.

- **More plan choices** to meet more budgets
- A **lower cost of care** because of the strength and quality of our networks, so members can see doctors who deliver the most effective, efficient care
- Expanded **medical and pharmacy** portfolios:
 - **ACA-compliant medical and pharmacy** plans offering a wide range of member cost share options
 - **Integrated** Act Wise consumer-driven health plans that manage the medical benefits and the spending accounts
- A **5% discount** on specialty premiums (dental, vision, life and disability) when clients purchase dental for the first time along with vision, life and/or disability
 - Members get **whole-person coverage**. Because our products are connected, doctors can work together behind the scenes to see a person's overall health, leading to earlier detection of possible health issues
- **Better health and engagement for members** – our digital health care platform integrates benefit information, clinical and claims data, and other digital tools to create a more personalized member experience

MAKING IT ALL EASIER. YOU SPOKE, WE LISTENED.

We know it hasn't always been easy to work with us. From complicated and inconsistent processes to long implementation times, you're frustrated and we hear you. We've been working hard to invest in, and develop, market-leading tools and technology with one goal in mind: to streamline, so you can save time and worry. The changes you'll see:

- **Reimagined Producer Tool-box** where you can do it all—in one place, no more going back and forth between portals
- **Simplified quoting** so you can easily show your clients the cost of any combination of our medical, dental, vision, life and disability coverage
- **Online enrollment submission** for your clients and their employees that drastically reduces implementation times; no more paperwork
- **Full transparency on your clients' status** in the implementation process – no more guessing games
- **Integrated EmployerAccess** makes it easier for you to perform maintenance on all of your clients with a single sign-on

But we didn't change everything. You will continue to enjoy the support from the service teams you know and trust. And we've made their jobs easier with streamlined processes that are consistent across our company and technology that's flexible so they can quickly answer your questions. It's the best of both worlds **so you can rest easy.**

HIGHLIGHTS FOR 2019

For employer groups with 2-50 employees

New Hampshire

NEW Act Wise consumer-driven health plans

These plans make it easier for employers to administer their health savings account because Anthem now manages both the medical benefits and spending accounts. Act Wise is streamlining everything – for you, employers and our members. It's easy to get started and get one-stop support from a dedicated team at one customer service number. And members have one website and mobile app to review claims in real time and access their benefits and account information from the same place.

Site of Service cost of care program

Where you go for your care matters. With the Site of Service program, members can use our provider search tools on anthem.com to find locations of independent providers that offer the same top-quality care at lower costs. Members can compare costs and choose how they want to save. Options for savings include lab services, ambulatory surgery, radiology and advanced diagnostic imagery¹ and physical therapy.

SmartShopper rewards program

SmartShopper is a program that rewards members for using lower-cost, high-quality locations for certain health care services and procedures. Because costs can vary by hundreds and even thousands of dollars, this program gives members a way to compare costs. If they choose a lower-cost location, they not only get a cash reward, but they save on out-of-pocket costs. Members just register with SmartShopper and go online or call to get help comparing costs and finding a lower-cost location nearby. After their procedure is complete and the claim is paid, they'll get a check in the mail in about four to six weeks.

LiveHealth Online

Through LiveHealth Online, members can have video visits 24/7 with board-certified doctors using a mobile device or computer with a webcam. Doctors can assess common health issues like flu or allergies. They provide a treatment plan and send prescriptions to a pharmacy, if needed.² And Basic Live Health Online visits now have copays lower than a PCP copay—either \$10 or \$15 depending upon the plan. Members can also talk with licensed therapists and psychiatrists. Therapists are usually available in four days or less.³ And, Spanish-speaking doctors take appointments 7 a.m. to 11 p.m., seven days a week using Cuidado Mé.

NEW Acupuncture benefit

Acupuncture benefits have been added to all small group plans at the PCP cost-share amount. Members receive up to 12 visits per benefit year.

¹ Check plan details for exact amount.

² Prescription availability is defined by physician judgment.

³ Appointments subject to availability of a therapist.

The SmartShopper program is provided by Vitals, an independent company.

**If you'd like to know more contact your
producer or Anthem representative.**

SAVINGS ON ALL TYPES OF HEALTH SERVICES

Where employees go matters.

SMARTSHOPPER OFFERS EMPLOYEES CASH REWARDS
